PROGRAM FEATURES – (uses text from another school as an example)

- Mills Park Elementary is a community of learners, including administrators, teachers, students, and families. Mills Park emphasizes active engagement through inquiry-based approaches for science and math and authentic literacy work. Students are taught using a balanced literacy model, including Guided Reading and Writers Workshop.

NEW FACILITY

- The newly constructed school facility is a new three-story 800 student capacity elementary school design derived from the E-15 and E-18 elementary designs.
- The school's main floor meets the needs of K-1 students with K-1 classrooms, 2 self contained classrooms (self contained suite), 1 CCR, 1 general support and all support facilities. The second floor accommodates 2nd & 3rd grade classrooms and the third floor accommodates 4th & 5th grade classrooms.
- 103,769 square feet school building located on a 20 acre site.
- The property is on Mills Park Drive, just off of Green Level Road to Durham Road, west of NC 55 at Carpenter Fire Station Road
- The school was built as part of the 2006 construction program.
